Clarevallis Extra Brut

Champagne, France NV — Pinot Noir, Meunier, Chardonnay, Blanc Vrai

Named for the 12th-century Abbey of Clairvaux, whose Cistercian monks first tended these Kimmeridgian limestone soils. Organically farmed, horse-ploughed, unfiltered, 4g/L dosage. Pale gold with a seductive pink shimmer. Apple, lime zest, and elderflower on the nose; silky and mineral on the palate with a saline, umami-laced finish. A transparent, contemporary expression of Drappier at its most precise. Our house of choice.

Le Clos Barret Brut Nature 2017

Champagne, France 2017 — All 7 Heritage Varietals

One of only 677 bottles produced. A single-vineyard cuvée from the Clos Barret lieu-dit near Port à Binson, crafted from all seven grape varieties authorized in Champagne: Meunier, Pinot Noir, Chardonnay, Petit Meslier, Arbane, Pinot Blanc, and Pinot Gris — a tribute to the biodiversity and lost history of the region. Vinified in oak barrels, spontaneous fermentation, no filtration, no malolactic. Vibrant and multilayered: citrus, yellow fruit, rare florals, and a sharp minerality that mirrors both the varietal richness and the artisan spirit behind its creation.

Essence Rosé Brut

Franciacorta DOCG, Lombardy, Italy — Pinot Noir, Chardonnay

Italy's most rigorous answer to Champagne — méthode traditionnelle, strict DOCG, and 36 months on lees. Radiant salmon-pink with creamy, persistent perlage. Rose petal, wild strawberry, and blood orange on the nose, framed by toasted almond and brioche. Vibrant and precise: pomegranate, tangerine peel, and chalky minerality through a long, savory finish. Elegant and gastronomic.

Vouvray Pétillant Brut

Loire Valley, France — Chenin Blanc · Organic & Biodynamic

Family estate since 1875, certified organic and biodynamic on limestone, tuffeau, and silex slopes above the Loire. Chenin Blanc in its most joyful expression — lightly sparkling, with apple, quince, white peach, and citrus; a delicate brioche note from lees contact and the unmistakable minerality of flint-rich soil. Dry, lively, endlessly food-friendly. Je réjouis les cœurs — "I gladden the heart."
